

Week 3

Location: Upstairs study lounge in the engineering building

Meeting time: Wednesday at 12PM

Facilitator: Ruben Rincon

Next week's facilitator: Tristan Miller

Note taker: Jennie Ryckman

Next week's note taker: Blake Lawton

What we discussed:

We discussed the interviews from D.1 and the grade we received. Ruben said he would email Dr. Gerosa about the grade we got for D.1. We split up the work for D.2 and talked a little bit about use cases. We looked over the project retrospective and decided to do it next week. Ruben will set up a Trello account for us.

Suggested product features:

- A profile for the player(casual or competitive gamer)
- A search engine that searches for different types of players
- Have profiles for manager and coaches
- Be able to send invites to players for hosted events

D.2 Assigned Problems:

1.1 and 1.2 – Blake Lawton

1.3 and 2 – Tristan Miller

3 and 4 – Jennie Ryckman

5 and 6.1 – Ruben Rincon

6.2 – 9 – Everyone has to contribute
